

**LEGISLATIVE SUMMARY**  
**MAYOR'S OFFICE OF CAPITAL PROJECTS**  
**Division of Engineering and Construction**

**MLK Bridge No. 5030, PID 119875**

**Ordinance No.**                   **1157-2023**

**Purpose:**                           This Department requests legislation to authorize the Director of the Mayor's Office of Capital Projects: to enter into one or more Professional Service contracts; accept gifts and grants from any public or private entity, and to authorize the Division of Purchasing & Supplies to acquire, accept, and record all land necessary in making the public improvement.

**Proposed Work:**               The project involves rehabilitating the existing concrete arch bridge over Doan Brook built in 1900 located just north of Parkgate Avenue/MLK intersection

**Present Condition:**         The concrete arch bridge is in serious condition. The general appraisal rating (4A) is prepared annually on behalf of the City of Cleveland by the Cuyahoga County Engineers Office.

**Project Cost:**                 **\$3,300,000**

**Funding Sources:**           \$2,000,000 – Municipal Bridge Funds  
\$1,300,000 – Cleveland Road and Bridge Bonds

**Schedule:**                    Design:                    January 2024 to September 2026  
                                  Bid and Award:        September 2026 to April 2027  
                                  Construction:         April 2027 to November 2027

**Ward:**                           9
