

**Request for Legislation**

**Authorizing the Director of the Department of Public Utilities to enter into a requirement contract or contracts for Rigging Services for the division of Cleveland Public Power for the period of two (2) years.**

---

---

**Background/Purpose:**

Contractual services to provide CPP the services of a professional rigging contractor complete with equipment and skilled labor to safely transport and install heavy, yet delicate, high voltage electric equipment typical to electric utility companies. CPP will have the ability to utilize this contract on an as-needed basis to aid the division in maintaining services to their customers.

**Scope of Work/Commodities/Services:**

The scope of work is expected to include the following tasks: demolition, hoisting, loading onto and off of trailers, preparing for road transport, obtaining permits, storing and leveling equipment and hauling. Ancillary work may include loading and disposal of debris. The contractor shall provide all labor, materials, equipment, trucks, trailers, cranes, lift trucks, small tools, steel plates, skates jacks, consumable supplies and supervision as required to complete the work.

**Justification/Urgency:**

The Request for Legislation is necessary to authorize the Director of Public Utilities to award one or more requirement contracts, upon a unit basis, for Rigging Services for Cleveland Public Power.

**Anticipated Costs and funding source:**

The RL funding source is CPP General Operating Fund. The projected estimates for the two year contract are as follows:

	Year 1	Year 2	Estimated total
CPP	\$100,000.00	\$100,000.00	\$200,000.00

**Term of Contract:**

Legislation is to lead to a requirement contract or contracts for the term of two (2) years.

---

**CSB/MBE/FBE Participation: 0%**

There were no subcontracting opportunities available for these procurements.
