Purpose: We are requesting that Ordinance No. 1532-2019, passed December 2, 2019, be amended. This legislation authored the Director of the Mayor's Office of Capital Projects to enter into a maintenance, inspection, and repair agreement with, and to issue an encroachment permit to Quintus Landlord LLC and May Garage Property LLC jointly to encroach into the public right-of-way of Ontario Street with an overhead bridge and two precast connecting portals.

The amendment will be to change the name of the ("Permittee") Quintus Landlord LLC to Cleveland Propco, LLC.

Description: This was a request for an encroachment permit to create, construct and maintain encroachments onto, over and within the right-of-way of Ontario Street.

The related sidewalks and improvements are between Prospect Avenue and Public Square and include the construction and use, operation and maintenance of an aerial pedestrian bridge and walkway connecting the Higbee Building and the May Co. garage.
