### LETTER OF NOTIFICATION

The purpose of this letter is to inform you that Alliant Treatment Services has partnered with NISRE, Inc. who has submitted an offer for a Community Transitional Housing Program (CTHP) to returning citizens releasing to the Cleveland area.

As part of the contracting process, our agencies are required to make notification to local elected officials, law enforcement and community members/associations where the Proposed Community Transitional Housing Program will be located. This letter will serve as documentation of partial satisfaction of this requirement. The site locations are: 10906 Grantwood Ave & 10624 Grantwood Ave., Cleveland, Ohio 44108 and 3106 W. 73<sup>rd</sup> St, Cleveland, Ohio 44102.

The contract is annual and is up for renewal each fiscal year. The proposed sites will be able to accommodate up to 30 adult men. Performance is to begin on 10/1/2021. Housing is offered for an indefinite period of time.

Sound correctional practice suggests that corrections enhance public safety by offering offenders the opportunity to find employment, establish a residence, and re-enter the community through a structured, supportive, environment with monitoring.

NISRE, Inc., owner/operator of **The EXIT Program®**, has been successfully serving multiple communities in the State of Ohio with the reintegration of offenders since 2002. Alliant Treatment Center has been successfully serving the recovery community for many years. We understand and support the need to develop innovative programs and services for returning citizens to promote public safety and reduce recidivism. Thank you for the important role that you play in our community.
