Purchase of Grapple Trucks

DIVISION:	Waste Collection and Disposal
ORDINANCE NO.:	190-2024
DESCRIPTION:	An emergency ordinance authorizing the Director of Public Works to enter into one or more direct award agreements with Custom Truck One Source, L.P. for the purchase of two (2) grapple trucks, for the Division of Streets, Department of Public Works.
LEGISLATIVE PURPOSE:	Passage of this legislation is necessary in order to continue providing pick-up of waste that is illegally dumped throughout the City. Public Works entered into an agreement to lease grapple trucks with an option to purchase. Contract CT-7015-PS2020-193 has expired. The leased trucks are used daily for illegal dumping in vacant lots. Not having the trucks impedes our ability to remove refuse in a timely manner. The lead time for a new truck would be 2 years, so they would not be available until April 2026.

FUNDING SOURCE:	20 SF 718, 70 SF 300, and any funds approved by the Director of Finance
