

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

D12-GR-FY2020 Safety, PID 111157

| | |
|-------------------------------|--|
| Ordinance No. | 319-2020 |
| Purpose: | This Department requests legislation to grant consent to ODOT to upgrade guardrail end treatments on Brookpark Road and SR 237, Grayton Road, Broadway Avenue, Lorain Road, Lakewood Heights Blvd and I-90, I-90 and West 117 th Street, West 3 rd Street near Quigley, Quigley Road, Canal Road near E. 9 th St. Extension, Martin Luther King Jr. Drive, I-90 and East 152 nd Street, and East 152 nd Street in City of Cleveland and to authorize the Director of Capital Projects to enter into one or more agreements with ODOT to make the improvement. |
| Description: | ODOT will arrange for the preparation of construction plans and specifications, including engineering reports, and for the supervision and administration of the construction cost and contribute 100% of the eligible costs. The guardrail safety improvements include upgrading the end treatments at the referenced locations. The improvements are part of a larger ODOT project to upgrade guardrail end treatments on the National Highway System routes at 139 locations within Cuyahoga and Lake Counties. |
| Cost Estimate: | \$496,800 |
| Funding Source: | 100% – Ohio Department of Transportation |
| Construction Schedule: | June 2020 to November 2020 |
| Ward (s): | City Wide |
