CITY CLERK, CLEVELAND, OH

RE: Karam Senior Living

Dear Clerk of Council Britt:

The purpose of this letter is to apprise your office that Northwest Neighborhoods CDC (formerly Detroit Shoreway Community Development Organization "DSCDO") will be the general partner and developer of a residential rental development located in or within a one-half mile radius of your political jurisdiction, and plans to utilize the low income housing tax credit program of the Ohio Housing Finance Agency (OHFA) for the development of this property. The development, called Karam Senior Living, is a new construction, mixed-use, senior development, located at 7918 Detroit Avenue in Cleveland, Ohio (Cuyahoga County).

Karam Senior Living will partner with Cleveland Public Library to create a new ground-floor public library and (51) affordable senior housing units at the intersection of Detroit Avenue and West 80th Street. The project will contain four (4) studio units, twenty-seven (27) one bedroom units and twenty (20) two bedroom units. The units will range in size from approximately 450-960 square feet.

Residents will have access to shared parking on-site. Project amenities include open concept floor plans, community room, wellness center, laundry facility, elevator, access to public transportation, access to redeveloped Cudell Recreation Center, and an on-site social service coordinator.

All units will meet LEED Silver standards and accessibility and visitability requirements as set forth by OHFA. The units will be reserved for households making at or below 60% of the AMGI. Specifically, 16% of units will be reserved for households making at or below 30% AMGI, and the remaining units will be a mix of both 50% AMGI and 60% AMGI.

Residents will have access to supportive services through the partnership of various local agencies. The on-site Resident Service Coordinator, employed by the owner/property manager, will coordinate these activities. Services include but not limited to health screenings, education programming, meal delivery, and social events/activities for seniors.

The proposed development will be financed with low income housing tax credits, a loan from the city of Cleveland, a loan from Cuyahoga County, and a permanent mortgage.
