Memo

Date: July 26, 2023  
Description: Obsolete Ordinances  
From: Joyce Huang, Director, City Planning JPH  
To: Patricia Britt, Clerk of Council

Staff recently discovered certain pieces of legislation in a file box that are roughly 10 or more years old (2008-2013). It appears that, for various reasons, the City Planning Commission never took action on any of these pieces. For that reason and the age of the legislation, these ordinances are obsolete for our purposes and therefore are being returned to City Council. The Ordinance Numbers are as follows (with brief descriptions):

- pp Ordinance No. 945-08 (Councilmember Sweeney): To amend Section 350.10 of the Codified Ordinances of Cleveland, Ohio, 1976, as amended by Ordinance No. 1282-06, passed November 27, 2006, relating to billboards.
- pp Ordinance No. 1257-08 (Councilmembers Kelley, Cimperman, and Sweeney – by departmental request): Authorizing the Director of Port Control to solicit proposals from qualified firms to undertake the management, design, and development of aviation and non-aviation related services at selected Department of Port Control or City-owned properties and related facilities consistent with the Airport’s Master Plan and to enter into one or more leases or leases by way of concession for a term of thirty years with two ten-year options to renew subject to additional legislative approval.
