Council Members Kazy, Keane and Kelley
(by departmental request)

AN EMERGENCY ORDINANCE

Authorizing the purchase by one or more requirement contracts of materials, equipment, supplies, and services needed to repair, replace, and maintain the high-voltage static transmission pipe-type cable system components and for emergency oil spill cleanup, including labor and installation, if necessary, for the Division of Cleveland Public Power, Department of Public Utilities, for a period of two years, with two one-year options to renew, the first of which is exercisable through additional legislative authority.

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That the Director of Public Utilities is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a two-year period with two one-year options to renew of the necessary items of materials, equipment, supplies, and services needed to repair, replace, and maintain the high-voltage static transmission pipe-type cable system components and for emergency oil spill cleanup, including labor and installation, if necessary, in the approximate amount as purchased during the preceding term, to be purchased by the Commissioner of Purchases and Supplies on a unit basis for the Division of Cleveland Public Power, Department of Public Utilities. The first of the one-year options to renew may not be exercised without additional legislative authority. If such additional legislative authority is granted and the first of the one-year options to renew is exercised, then the second of the one-year options to renew may be exercisable at the option of the Director of Public Utilities, without the necessity of obtaining additional authority of this Council. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of any purchase under the contract, each of which purchases shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance. (RQN 2004, RL 2019-31)

Section 3. That under Section 108(b) of the Charter, the purchases authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The Director of Public Utilities may sign all documents that are necessary to make the purchases, and may enter into one or more contracts with the vendors selected through that cooperative process.

Section 4. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
