

Department of Public Works
Administrative Summary
On-Street Parking Meter Enhancement Solution

DIVISION: Parking Facilities

ORDINANCE NO.: 592-2023

DESCRIPTION: An emergency ordinance authorizing the Director of Public Works to enter into one or more agreements for service and equipment purchases for the parking meter enhancement project system; to include installation, repair, maintenance, collection and enforcement of the on-street meter system, for the Division of Parking Facilities.

LEGISLATIVE PURPOSE: Passage of this legislation is necessary to modernize the City's on-street parking system. Currently, this system is comprised of approximately 2,500 single-spaced, mechanically operated, coin only parking meters and 26 multi-spaced smart meter kiosks which except credit and cash, but require customers to pay displayed receipts to avoid paid citations.

CONTRACT TERM: Three (3) years with two one-year options to renew at the discretion of the Director of Public Works.
