WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That the Director of Public Works is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for a term of two years, with three one-year options to renew, exercisable by the Director of Public Works, for the transfer and disposal of solid waste to ensure uninterrupted waste disposal services of municipal solid waste from the City's Ridge Road Transfer Station to the requirement contractor's landfill, transfer station and/or material recovery facility depending upon what the contractor utilizes, in the approximate amount as purchased during the preceding term, purchased by the Commissioner of Purchases and Supplies on a unit basis for the Division of Waste Collection and Disposal, Department of Public Works. Bids shall be taken in a manner that permits an award to be made for all items of services as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Bids shall also be taken so as to permit an award to be made for provision of such services citywide or by separate contracts for the districts determined by the Director of Public Works.

Section 2. That, notwithstanding any provision of the Codified Ordinances of Cleveland, Ohio, 1976, to the contrary, the Director of Public Works may require that each bid be accompanied by a single bid guaranty and contract bond securing both the

execution of a contract and the performance of the term of each contract. If a single bond securing both execution and performance is required by the Director, it shall be substantially in accordance with the form attached as "Exhibit A." Each bond, whether to secure the execution of a contract, its performance, or both, shall be in an amount determined by the Director of Public Works. Each bond submitted to secure the contract or contracts authorized by this ordinance shall be executed by a surety authorized to do business in the State of Ohio and shall be acceptable to the Director of Law.

Section 3. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of any purchase under the contract, each of which purchases shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance. (RQN 7013, RL 2026-12)

Section 4. That under Section 108(b) of the Charter, the purchases and/or services authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The Director of Public Works may sign all documents that are necessary to make the purchases and/or obtain the services, and may enter into one or more contracts with the vendors and/or consultants selected through that cooperative process. The Director of Public Works shall provide written notice to the Clerk of Council whenever any purchase is made under this section, which notice shall include the details of any such cooperative purchases.
