**Council Members Keane and Kelley
(by departmental request)**

<u>**AN EMERGENCY ORDINANCE**</u>
Authorizing the Director of Port Control to employ one or more professional consultants to provide customer service satisfaction surveys, data collection and reporting, for a period of one year, with three one-year options to renew, the second of which would require additional legislative authority.

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

<u>Section 1.</u>   That the Director of Port Control is authorized to employ by contract or contracts one or more consultants or one or more firms of consultants for the purpose of supplementing the regularly employed staff of the several departments of the City of Cleveland in order to provide professional services necessary to provide customer service satisfaction surveys, data collection and reporting, for a period of one year, with three one-year options to renew, the second of which would require additional legislative authority. The first of the one-year options to renew may be exercised by the Director of Port Control, without the necessity of obtaining additional authority of this Council. The second of the one-year options to renew may not be exercised without additional legislative authority. If such additional legislative authority is granted and the second of the one-year options to renew is exercised, then the third of the one-year options to renew may be exercised at the option of the Director of Port Control, without the necessity of obtaining additional authority of this Council.

The selection of the consultants for the services shall be made by the Board of Control on the nomination of the Director of Port Control from a list of qualified consultants available for employment as may be determined after a full and complete canvass by the Director of Port Control for the purpose of compiling a list. The compensation to be paid for the services shall be fixed by the Board of Control. The contract or contracts authorized shall be prepared by the Director of Law, approved by the Director of Port Control, and certified by the Director of Finance.

Section 2.   That the cost of the improvement authorized shall be paid from

Fund No. 60 SF 001, Request No. RQS 3001, RL 2017-86.

Section 3.   That under Section 108(b) of the Charter, the purchases authorized

by this ordinance may be made through cooperative agreements using state

procedures. The Director of Public Service may sign all documents with the State of

Ohio or any of its political subdivisions that are necessary to make the purchases, and

may enter into one or more contracts with the vendors selected through that

cooperative process.

Section 4.   That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
