

Request for Legislation

An ordinance authorizing the Department of Public Utilities (DPU) to enter into one or more requirement contracts, for a period of two years to repair, maintain and/or install various types of fencing, gate operators, vertical pivot lift gates, barriers, walls, and guardrails.

Council Summary

Fence Maintenance

Background/Purpose:

DPU owns and maintains several sites. Some locations, such as retention basins, pump stations, water treatment plants, water tanks and towers, and power stations are especially prone to vandalism. Most DPU facilities have fencing and gates that secure the sites.

Scope of Work:

DPU is requesting authority to enter into one or more requirement contracts to provide repair and replacement of existing and installation of new chain link fencing and gates, barb wire security tops, ornamental iron fencing and gates, vertical pivot lift gates, concrete noise barriers, screen walls, gate operators, steel guard rails and associated appurtenances.

Commodities/Services:

Services shall include installation, repair and/or replacement of fencing and gates and associated appurtenances.

Justification/Urgency:

The contract is necessary to secure various DPU properties.

Anticipated Costs and funding source:

These contracts are estimated to cost \$300,000. for each year of the two-year contract period. Operating or Capital Funds will be used as appropriate for the specific procurement being made. Funding sources are CWD 52/001, CPP 58/001, and WPC 54/001.

Schedule or Term of Contract:

Legislation will lead to a requirement contract or contracts for a term of up to two years.
