Re: MLK Plaza, Phase 1A

Dear Ms. Britt,

The purpose of this letter is to apprise your office that NREUV MLK1A, LLC plans to be the general partner of a residential rental development located in or within a one-half mile radius of your political jurisdiction and will submit an application to utilize the multifamily funding programs of the Ohio Housing Finance Agency (OHFA) for the development of this property.

Phase 1A will create 53 one-, two-, and three-bedroom units, beginning the redevelopment of Martin Luther King Plaza, built in 1972. Cleveland residents' suburban flight and the erosion of neighborhood retail has left this once-bustling shopping center all but abandoned. The project will include robust amenity spaces including a community room, fitness center, computer room, playground, and supportive services offices. The multiphase project will create 120 multifamily units, 25 townhomes, and a 7,000 SF market/food hall operated by local entrepreneurs, transforming an underutilized parcel into a vibrant community asset. Northern Real Estate Urban Ventures, a black, woman-owned firm specializing in affordable housing and community development projects, will serve as developer.

The proposed development will be financed with proceeds from the sale of 9% LIHTC, conventional debt, Cleveland Foundation, and other local sources.
