

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

Euclid Avenue Pedestrian Improvements
(Upper Valley Dr. to Ivanhoe Road)

Ordinance No. XXX-2025

Purpose: This Department requests legislation to grant to enter into one or more Professional Service contracts; to enter into agreements with private utilities and to accept funds; to apply for and accept federal funds; to enter into agreements and to accept funds from Railroads, NEORS and GCRTA; to enter into a local public agency agreement with ODOT; to enter into one or more agreements necessary to make the improvement; to authorize the Division of Purchasing and Supplies to acquire, accept, and record all land necessary in making of the public improvement, including but not limited to fee simple acquisitions, temporary easements, permanent easements, and work agreements; from any and all funds as authorized by Director of Finance.

Description: The City will administer the design while ODOT will arrange for the project sale and award to the lowest responsible bidder and provide construction supervision and administration of the improvement. The project will design and implement pedestrian enhancements aimed at improving safety, accessibility, and overall quality of life along a 1.25-mile stretch of Euclid Avenue, from Upper Valley Drive to Ivanhoe Road. Roadway resurfacing for this corridor was completed in 2024. This segment serves as the primary transit and commercial corridor for the Euclid-Green neighborhood, situated between East Cleveland and Euclid.
