

***DEPARTMENT OF FINANCE LEGISLATIVE SUMMARY***

**Ordinance No.:**                      **869-2019**

**Scope of Legislation:**                      This legislation would authorize the Director of Finance to enter into an amendment to Contract No. MA 1505-RCD 2015\*93 with Webtech Wireless dba Interfleet, Inc. for equipment and services necessary to host, maintain, and replace, as needed, components of the automated vehicle locator system for various divisions of City government for a period not to exceed one year.

**Purpose of the Request:**                      The AVL system tracks the vehicle locations of the Department of Public Safety's Emergency Response and First Responder fleet for the Division of Police, Division of EMS, Division of Fire, and Animal Care and Control.

This system is crucial in tracking the Department of Public Works Snow Removal Operations Fleet and Streets vehicles and the Department of Public Utilities Fleet which includes Water Pollution Control, Cleveland Public Power and the Division of Water vehicles.

Pursuant to Section 108 (b) of the Charter, the purchases authorized by this ordinance may be made through cooperative agreements using state procedures. The Director of Finance may sign all documents with the State of Ohio or any of its political subdivision that are necessary to effectuate such cooperative efforts and may enter into contract with the vendors selected through that cooperative process.

The cost of the contracts shall be paid from any and all funds approved by the Director of Finance for this purpose, and are appropriated for this purpose.

**Desired Outcome:**                      Automated Vehicle Location tracking of the City's Vehicle Fleet
