

Division of Water Pollution Control

This request for legislation is to authorize the Director of Public Utilities to enter into one or more public improvement contracts for the demolition of the existing and installation of new security guard station, located at the Division of Water Pollution Control's (WPC) facility, 12302 Kirby Avenue, Cleveland, OH for the Division of Water Pollution Control, Department of Public Utilities.

Background/Purpose:

The demolition and removal of existing security guard station and installation of a pre-fabricated structure located on the Division of Water Pollution Control (WPC) property.

The contract is a new contract.

Scope of Work/Commodities/Services:

Demolition and removal of existing guard station, installation of new guard station, including site utilities such as sewer, water, gas, electric and communications, HVAC system, pavement, drives and curbs. This ordinance will authorize professional service and public improvement contracts to address this need.

Justification/Urgency:

Repair/replacement of the dilapidated security guard station at WPC requires rapid action. This authority will allow WPC to install a pre-fabricated structure to address this need.

Anticipated Costs and Funding Source:

The Division of Water Pollution Control will fund this project before contracted.

\$123,000. – The cost of the improvement and other expenditures authorized shall be paid from Fund No. 54 SF 001 and/or from the fund or subfund to which are credited the proceeds of future sewer bonds, if issued for this purpose or other funds, and/or any and all funds deemed by the Director of Finance.

Schedule or Term of Contract:

Legislation is to lead to one (1) or more Public Improvement contract(s) based upon a unit price. Contract or contracts will be considered complete upon final acceptance by the Division of Water Pollution Control.
