Amendment of current contract master agreement 2022-32 for Lorain County Landfill, LLC for the of disposal municipal solid waste

| | |
|--------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| DIVISION: | Waste Collection |
| ORDINANCE NO.: | TBD |
| DESCRIPTION: | Legislative authority to amend Master agreement 1505-RC 2022-32 Lorain County Landfill, LLC, to authorize the handling and disposal of municipal solid waste loads that have a radioactive signature at an additional cost of \$1,300.00 per load, as needed. All other terms and conditions of this contract shall remain the same. |
| LEGISLATIVE PURPOSE: | Passage of this legislation is necessary so we can pay for the handling and disposal of municipal solid waste that has a radioactive signature. It is not uncommon for traces of radioactive material to be found in household trash. In order for the material to be disposed in a licensed landfill, it has to handle in a way that the radioactive signature has been dissipated. The process of handling such material has an additional cost that was not included in the initial contract. |
| CURRENT CONTRACT TERM: | Two years with 3 one year option |
| EXPIRATION DATE: | May 10, 2027 in year one of 1 st year option |
| AMOUNT OF CURRENT CONTRACT: | 7,987,500.00 |
| PROJECTED EXPENDITURE OF CURRENT CONTRACT: | \$15,887,244.00 |
| FUNDING SOURCE: | Operating Budget |
