Mayor Justin M. Bibb
City of Cleveland

Andrew Sargeant

Andrew Sargeant, ASLA, is a landscape architect and tech enthusiast looking to pioneer the use of design technology in landscape architecture. Andrew researched the use of immersive technology in the field of landscape architecture through the 2019 Landscape Architecture (LAF) Fellowship for Innovation and Leadership. In 2020, he became an Enterprise Rose Architectural Fellow working with Cleveland Neighborhood Progress in Cleveland, Ohio. His work included advocacy, design, and planning in collaboration with many of Cleveland's CDCs around park space and urban design. He now continues his work with the organization as the Director of Open Space and Planning.
