

Division of Cleveland Public Power

**Request for Legislation**

To authorize the Director of the Department of Public Utilities to enter into one or more contracts for the purchase of a two full color LED video display boards to replace the existing boards located at 5251 North Marginal Road, including labor for the removal and disposal of the existing video boards, and labor and materials for the installation of the new video boards, training, and maintenance of the equipment for a two year period for the division of Cleveland Public Power.

**Background/Purpose:**

The video board at 5251 North Marginal Road is a key tool in the marketing of the division of Cleveland Public Power, and other departments/divisions in the City of Cleveland. The sign provides a means of communicating with a large audience as they travel the shore way daily.

**Scope of Work/Commodities/Services:**

Professional removal of existing LED video display boards and the installation of new full color LED video display boards with pixel pitch of a minimum of 16mm, not to exceed 10mm. This contract would include the software and training to program content for the sign. This software would include the ability to utilize still and video imagery on the sign.

**Justification/Urgency:**

The sign is currently inoperable and the contract for maintenance of the equipment has expired. Additionally the existing equipment is outdated and in need of an upgrade.

**Anticipated Costs and funding source:**

The estimated cost of the two-year contract is \$95,000.00. The funding source is CPP’s operating budget.

**Schedule or Term of Contract:**

This legislation will lead to one or more requirements contracts for a term of two years.
