Acceptance of Tennis Court Improvements at Harmody Park

Ordinance No: 1068-2025

Legislative Purpose: To authorize the Director of Parks & Recreation to accept a donation of court improvements from Changeover containing one or more private logos, which may include the private logo of Rocket Mortgage, LLC ("Rocket"), on the tennis courts at Harmody Park.

Project Summary: Changeover is an Ohio non-profit corporation that is committed to community betterment within Cleveland through the transformation and enrichment of tennis courts. Their mission is to revitalize tennis courts to foster a sense of community, recreation, and wellness for all.

In 2024, in conjunction with the A WTA 250 tournament, Tennis in the Land, Changeover renovated and resurfaced tennis courts at Thurgood Marshall Recreation Center. Changeover will continue renovating one new court per year in areas that have youth programming plans oriented around the courts.

Changeover has selected Harmody Park as the site of their 2025 Project. Changeover will resurface the tennis courts at Harmody Park and place private logos along the sidelines of the court. The court improvements have an estimated value of \$30,000. Changeover wishes to execute the renovations as a donation to the City.
