(by departmental request)**

AN EMERGENCY ORDINANCE

Determining the method of making the public improvement of installing public art displays; authorizing the Director of Port Control to enter into one or more public improvement contracts for the making of the improvement; authorizing the Director to employ one or more professional consultants to design and/or the improvement; and to enter into various written standard purchase and requirement contracts needed in connection with the improvement, for a period of one year with three one-year options to renew, the second of which requires additional legislative authority.

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That, under Section 167 of the Charter of the City of Cleveland, this Council determines to make the public improvement of installing public art displays and other specific dedication spaces at Cleveland Hopkins International and Burke Lakefront Airports (the "Improvement"), for the Department of Port Control, by one or more contracts duly let to the lowest responsible bidder or bidders after competitive bidding on a unit basis for the Improvement.

Section 2. That the Director of Port Control is authorized to enter into one or more contracts for the making of the Improvement with the lowest responsible bidder or bidders after competitive bidding on a unit basis for the Improvement, provided, however, that each separate trade and each distinct component part of the Improvement may be treated as a separate Improvement, and each, or any combination, of the trades or components may be the subject of a separate contract on a unit basis.

Section 3. That the Director of Port Control is authorized to apply and pay for permits, licenses, or other authorizations required by any regulatory agency or public authority to permit performance of the work authorized by this ordinance.

Section 4. That the Director of Port Control is authorized to employ by contract or contracts one or more consultants or one or more firms of consultants for the purpose of supplementing the regularly employed staff of the several departments

Ordinance No. 1310-17

of the City of Cleveland in order to provide professional services necessary to design and/or the Improvement.

The selection of the consultants for the services shall be made by the Board of Control on the nomination of the Director of Port Control from a list of qualified consultants available for employment as may be determined after a full and complete canvass by the Director of Port Control for the purpose of compiling a list. The compensation to be paid for the services shall be fixed by the Board of Control. The contract or contracts authorized shall be prepared by the Director of Law, approved by the Director of Port Control, and certified by the Director of Finance.

Section 5. That the Director of Port Control is authorized to make one or more written standard purchase contracts and written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the necessary items of materials, equipment, supplies, and services necessary to implement the Improvement, including labor and materials if necessary, to be purchased by the Commissioner of Purchases and Supplies on a unit basis for the Department of Port Control. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines, for a period of one year with three one-year options to renew. The first of the one-year options to renew may be exercised by the Director of Port Control, without the necessity of obtaining additional authority of this Council. The second of the one-year options to renew may not be exercised without additional legislative authority. If such additional legislative authority is granted and the second of the one-year options to renew is exercised, then the third of the one-year options to renew may be exercisable at the option of the Director of Port Control, without the necessity of obtaining additional authority of this Council.

Ordinance No. 1310-17

Section 6. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of any purchase under the contract, each of which purchases shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance.

Section 7. That under Section 108(b) of the Charter, the purchases authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The Director of Port Control may sign all documents that are necessary to make the purchases, and may enter into one or more contracts with the vendors selected through that cooperative process.

Section 8. That the cost of the contracts and other expenditures authorized shall be paid from Fund Nos. 60 SF 001, 60 SF 104, 60 SF 105, 60 SF 115, 60 SF 116, 60 SF 126, 60 SF 128, 60 SF 130, 60 SF 141, 60 SF 160, and from any fund or funds to which are credited the proceeds of any grants accepted and PFC's if authorized for the purposes of this ordinance. (RQS 3001, RL 2017-98)

Section 9. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
