Clerk Britt

Reaching out for a quick push on this one. We just got the permit fee from this permit holder for their D-3-3A permit and were going to send you the official notice on it, but my understanding is that they are really wanting to open up ASAP. I guess this is a new Dolly Parton themed bar on 4<sup>th</sup> street? Here you were previously notified about the D-1-2 (beer and wine) permit that the city didn't object to. I'm assuming they'd not object to the D-3-3A either but if you can quickly confirm that I'd be able to wrap up our review.

Thanks for your review on this.
