BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That, under Section 167 of the Charter of the City of Cleveland, this Council determines to make the public improvement of repairing, constructing, and installing various speed tables citywide for traffic-calming and pedestrian safety purposes, for the Department of Public Works, by one or more public improvement requirement contracts duly let to the lowest responsible bidder or bidders on a unit basis for the improvement.

Section 2. That the Director of Public Works is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a period not to exceed two years for the making of the above public improvement with the lowest responsible bidder or bidders after competitive bidding on a unit basis for the improvement for a period not to exceed the specified term, purchased by the Commissioner of Purchases and Supplies on a unit basis for the Division of Traffic Engineering, Department of Public Works.
