Transportation and Mobility Committee

Chair: Charles J. Slife Vice Chair: Joseph T. Jones

Members: Kevin L. Bishop; Austin Davis; Deborah A. Gray; Brian Kazy; Richard A. Starr

The Transportation and Mobility Committee will be holding a series of hearings to discuss the future of Burke Lakefront Airport.

The tentative schedule and topics for the series are:

- *Expenses and Obstacles to Development, January 21st*
- *Budget Implications and the General Fund, February 4th*
- *The Regulatory Path to Closure, April 1st*
- *Market Absorption and Real-World Appeal, April 15th*

Budget Implications and the General Fund

Burke Lakefront Airport currently operates as an enterprise fund, meaning it is self-sustaining through its own revenues and subsidies from Cleveland Hopkins International Airport. A transition to a non-airport use—such as a public park—would shift the cost of city services onto the General Fund. This session will ask whether the city can absorb these new expenses without jeopardizing routine services like police, fire, and other basic services.

All members of Council are encouraged to attend.
