

**Executive Summary  
Solid Waste Disposal Program**

**Background/Purpose:**

- ◆ This legislation authorizes the Director of Public Health to enter into a contract with the Cuyahoga County Solid Waste District for the Solid Waste Disposal Program.
- ◆ Review and process all applications for permits to operate Construction and Demolition Landfills in the City of Cleveland.
- ◆ Inspections of scrap tire transporters, storage facilities and respond to all scrap tire illegal dumping complaints.
- ◆ Conduct quarterly inspections of State mandated facilities, issue violation notices to enforce State and Local regulations.
- ◆ Record and maintain records of all Solid Waste Facilities in the City of Cleveland, which include; Solid Waste Transfer Facilities, Composting Facilities, Construction and Demolition Debris Sites, Methane Gas Monitoring, and Industrial Waste Landfills.
- ◆ Assure quality of data as required by Federal Law and State guidelines.

**This ordinance would continue to allow the Solid Waste Program to:**

- ◆ Ensure the proper disposal of solid and infectious waste within the City of Cleveland.
- ◆ To safeguard the residents of the City of Cleveland from the migration of methane gas, by performing routine test on open and closed landfills.
- ◆ Routine inspections conducted of Solid and Infectious Waste facilities to ensure the facilities are operating within the City of Cleveland's Codified Ordinance and the State of Ohio Solid Waste Regulations.
