Director, Department of Public Works  
City of Cleveland  
601 Lakeside Avenue  
Cleveland, Ohio 44114

Dear Director Cox,

On behalf of the Greater Cleveland Film Commission, I would like to thank you for the many years of partnership and support of our organization. Cleveland is known for being a very film-friendly city and we hope to continue building that reputation.

As per your request, this letter is in support of Ordinance 287-2021. We are excited to have a smoother permitting process to help advance our current efforts in attracting and facilitating film and television productions. Our organization provides exceptional service to filmmakers all over the world and we welcome any additions that will best allow us to continue that momentum.

Please reach out if you need anything else and thank you, again for your support.

Best,

Seema Jayaswal  
COO
