

### NEORSD Easements @ Raus Park

# What is the BOCI project?

## Objectives:

- Reduce human exposure to CSO by enclosing open channel sections of Burke Brook Branch A and Burke Brook Branch B
- Contribute to future CSO Consent Decree compliance

## General Scope of Work

- Erosion and sediment control
- Tree removal
- Demolition of existing open channels and headwalls
- Installation of consolidation sewers
- Storm sewers
- New regulators, a new junction chamber, & regulator modifications
- Manholes and catch basins
- Earthwork to reestablish stream channels above the new consolidation sewer and tie into existing grades
- Stream restoration
- Plantings and seeding
