

**LEGISLATIVE SUMMARY**  
**MAYOR'S OFFICE OF CAPITAL PROJECTS**  
**Division of Architecture and Site Development**

**Clark Field Tree Planting Improvements**

**Ordinance No.**                    **1071-2022**

**Purpose:**                            This Department requests legislation to modify existing contract CT0103 PI2022\*2 with Platform Cement, Inc. from \$2,849,129.85 to \$2,899,129.85.

**Description:**                    Clark Field Tree Planting Improvements will supplement tree plantings to the current public improvement contract. The additional funds will allow for the purchase, planting and one year warranty of up to ninety-five trees to be planted throughout the Clark field site. Tree species and varieties chosen from Cleveland Tree Plan approved list of species and will be sited in accordance with the site improvement plans currently under construction.

This modification provides for additional trees to improve the overall tree canopy in the city of Cleveland.

**East 105<sup>th</sup> Street:**                \$2,849,129.85 – Original Cost  
                                              \$ 50,000.00 – Additional Cost  
                                              \$2,899,129.85 – New Cost

**Funding Source:**                Free Balance C13305 – reimbursed by the Cuyahoga County Planning Commission.

**Ward (s):**                            3, Kerry McCormack
