

Department of Port Control

Ordinance No.: 1086-2025

COUNCIL SUMMARY

The Department of Port Control is requesting authority to enter into one or more requirements contracts for industrial and building-related supplies, materials, and equipment for facility MRO, for the Department of Port Control, for a period of one year, with three one-year options to renew, exercisable by the Director of Port Control.

Scope of Work:

The Department of Port Control is requesting authority to enter into one or more requirements contracts for industrial and building-related supplies, materials, and equipment for facility MRO, for the Department of Port Control.

Justification/Urgency:

The contract is essential as it will allow the Department to procure the consumables, equipment, and supplies needed to maintain and improve the buildings and their related systems, which aids in extending the value and useful life of DPC facilities and property.

Schedule or Term of Contract:

This contract will be for a period of one year, with three one-year options to renew, exercisable by the Director of Port Control.

Anticipated Cost:

\$300,000
