**Council Members Pruitt and Kelley
(by departmental request)**

AN EMERGENCY ORDINANCE

Authorizing the purchase by one or more requirement contracts of labor and materials necessary for the removal, transport, and disposal of transformers, for the Division of Cleveland Public Power, Department of Public Utilities, for a period of two years, with two one-year options to renew, the first of which requires additional legislative authority.

WHEREAS, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF CLEVELAND:

Section 1. That the Director of Public Utilities is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a period of two years, with two one-year options to renew, the first of which requires additional legislative authority, of the necessary items of labor and materials necessary for the removal, transport and disposal of transformers, in the approximate amount of \$100,000, to be purchased by the Commissioner of Purchases and Supplies on a unit basis for the Division of Cleveland Public Power, Department of Public Utilities. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. The first of the one-year options to renew may not be exercised without additional legislative authority. If such additional legislative authority is granted and the first of the one-year options to renew is exercised, then the second of the one-year options to renew may be exercised at the option of the Director of Public Utilities, without the necessity of obtaining additional authority of this Council. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Ordinance No. 544-17

Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of any purchase under the contract, each of which purchases shall be made on order of the Commissioner of Purchases and Supplies by a delivery order issued against the contract or contracts and certified by the Director of Finance. (RQN 2004, RL 2017-29)

Section 3. That under Section 108(b) of the Charter, the purchases authorized by this ordinance may be made through cooperative arrangements with other governmental agencies. The Director of Public Utilities may sign all documents that are necessary to make the purchases, and may enter into one or more contracts with the vendors selected through that cooperative process.

Section 4. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
