Subject: Legislation to be Passed under Suspension on November 18, 2020

Dear Council President Kelley:

I am requesting that the following legislation be passed under suspension at the November 18, 2020, City Council meeting:

- Legislation to appoint an Assessment Equalization Board to hear objections regarding the continuation and expansion of the Gordon Square Arts District – Cleveland Improvement District.

I understand that passage under suspension is not preferred or ideal, however I believe this piece is more procedural than substantive in nature and should not be controversial. Further, it is critical and urgent for the timely conclusion of Gordon Square's special improvement district renewal process.

Thank you for your consideration of this request. If you have any questions, please contact me at 664-3468.

Sincerely,

Freddy Collier,
Director of City Planning
