(g) *Late Penalties.* Late penalties shall be assessed in accordance with the following schedule:

- (1) If the costs established in division (f) remain unpaid twenty (20) days after the ticket is issued or twenty (20) days after the conclusion of all appeals, an additional twenty dollars (\$20.00) shall be assessed; and
- (2) If the costs established in division (f) remain unpaid forty (40) days after the ticket is issued or forty (40) days after the conclusion of all appeals, an additional forty dollars (\$40.00) shall be added to the twenty dollars (\$20.00) assessed under division (g)(1) for a total additional penalty of sixty dollars (\$60.00) in such a case.

(h) *Appeals – Timing.* Any respondent or other person who is potentially liable for the costs imposed by this section may appeal the imposition of liability to the Director of Public Works or his or her designee, which may include the Clerk of the Cleveland Municipal Court in his or her capacity as Parking Violations Bureau Administrator or otherwise, in the manner described in the ticket. (i) *Appeal – Process.* The Director shall establish an administrative appeal process for persons to appeal tickets issued under this section. The administrative appeal process shall allow the appellant the right to present appellant’s case in person and may allow for evidence to be presented ex-parte. The strict rules of evidence applicable to courts of law shall not apply in any administrative hearing or ex-parte review. The ticket charging the offense shall constitute prima facie evidence that the offense identified in the ticket occurred and that the parcel owner(s) to whom the ticket was mailed are the responsible parties as defined in division (m) and are liable to the City of Cleveland for the costs imposed by this section.

If the Director finds by a preponderance of evidence that an appellant is liable under this section for the costs assessed, then the Director shall dismiss the appeal and order the appellant to pay the costs identified in the ticket.

If the Director finds by a preponderance of evidence that an appellant is liable under this section for the costs assessed but that there are reasons for the commission of the infraction that mitigate the offense, then the Director shall dismiss the appeal and order the appellant to pay the costs identified in the ticket, but may in the interest of equity reduce the costs assessed.

If the Director finds by a preponderance of evidence that the appellant is not liable under this section for the costs assessed, then the Director shall dismiss the ticket and grant the appeal.

(j) *Appeal of the Director’s Decision.* Any person subject to an adverse decision of the Director may appeal that decision to the Board of Zoning Appeals. The notice of appeal shall be in writing and shall be filed with the Board of Zoning Appeals within ten (10) days of the decision of the Director. The Board shall approve, modify or annul the finding from which the appeal is taken.

(k) *Collection.* The costs imposed by this section may be enforced and collected by means of a civil action or any other means provided for in these Codified Ordinances or the Ohio Revised Code.

(l) *Rules and Regulations.* The Director of Public Works may issue rules and regulations to carry out the provisions of these sections, which shall be effective thirty (30) days after their publication in the *City Record*.
