

Department of Port Control

Ord. No.: 1084-2019

CHIA-Operations

EXECUTIVE SUMMARY

The Department of Port Control is requesting authority to exercise the first options to renew various contracts for the requirements for heavy-duty equipment, snow removal equipment, snow removal vehicles, multi-purpose trucks and operators when required, for the various divisions of the Department of Port Control.

Background/Purpose:

On October 27, 2017, the Department of Port Control entered into Contract Nos. MA 2017*105 with M-B Companies and MA 2017*106 with Wausau Equipment Company Inc., to provide heavy-duty snow removal equipment, snow removal equipment, snow removal vehicles, multi-purpose trucks and operators when required, for the various divisions of the Department of Port Control.

Ordinance No. 848-15 provides that the first of the two-year option to renew shall not be exercised without additional legislative authority. The Department is desirous of exercising the first of the one-year options.

Scope of Project:

To provide heavy-duty snow removal equipment, snow removal equipment, snow removal vehicles, multi-purpose trucks and operators when required, for the various divisions of the Department of Port Control.

Justification/Urgency:

The Department of Port Control needs the ability to maintain the operational needs of the Airports without interruption.

Anticipated Cost and Funding Source: N/A

Schedule or Term of Contract:

Two years with two one-year options for renewal. The first of the one year options to renew shall not be exercised without additional legislative authority.
