

**LEGISLATIVE SUMMARY**  
**Mayor's Office of Capital Projects**  
**Division of Engineering and Construction**

**Capital / Infrastructure**  
**Professional Services**

**Ordinance No.** 584xxx-2024

**Purpose:** The Department is seeking legislative approval to allow the Director of the Mayor's Office of Capital Projects to engage in one or more Professional Service contracts. These contracts are essential for sustaining and facilitating the ongoing construction of various private and public infrastructure projects within the City of Cleveland.

**Description:** The successful firms selected for this project will be responsible for managing, monitoring, inspecting, reporting, and ensuring that public and private work progresses in alignment with approved contract documents and in compliance with City standards. Their role involves overseeing the execution of the project, verifying compliance, and ensuring quality standards are met. Contract duration will be thirty (30) months or until funds are expended.

**Cost Estimate:** \$3,700,000

**Funding Source:** Road and Bridge Bonds

**Project Schedule:**

Request for Proposal:	May 2024
Award:	August 2024
Duration:	August 2024 to February 2027

**Ward(s):** City Wide
