

Department of Port Control

Ordinance No.: 1329-18

EXECUTIVE SUMMARY

The Department of Port Control is requesting authority to amend Ordinance No. 814-12, passed June 4, 2012, relating to boilers, Ordinance No. 700-16, passed August 10, 2016, relating to sewer systems, and Ordinance No. 750-18, passed October 8, 2018, relating to switchgear and switches, to add additional funding.

Background/Purpose:

The Department is requesting to add the recently issued bond funding to Ord. 814-12, relating to boiler replacement; and, Ord. 700-16, relating to the rehabbing of storm and sanitary sewers to support the projects.

With regard to Ord. 750-18, relating to the repair to EV-6 switchgear the Department is looking to include additional bond funds; as well as, the use of existing requirement contracts.

Scope of Work:

The previous scopes for these projects have not changed.

Justification/Urgency:

Without amending the legislation the Department will not be able to include the additional funding sources needed for the projects.

Anticipated Cost: N/A

Schedule or Term of Contract: N/A
