Map Change 2685

Proposal

To create a new design review district known as “**Lorain Antiques Design Review District**” between West 83rd St and West 61st Pl to the east.

Purpose

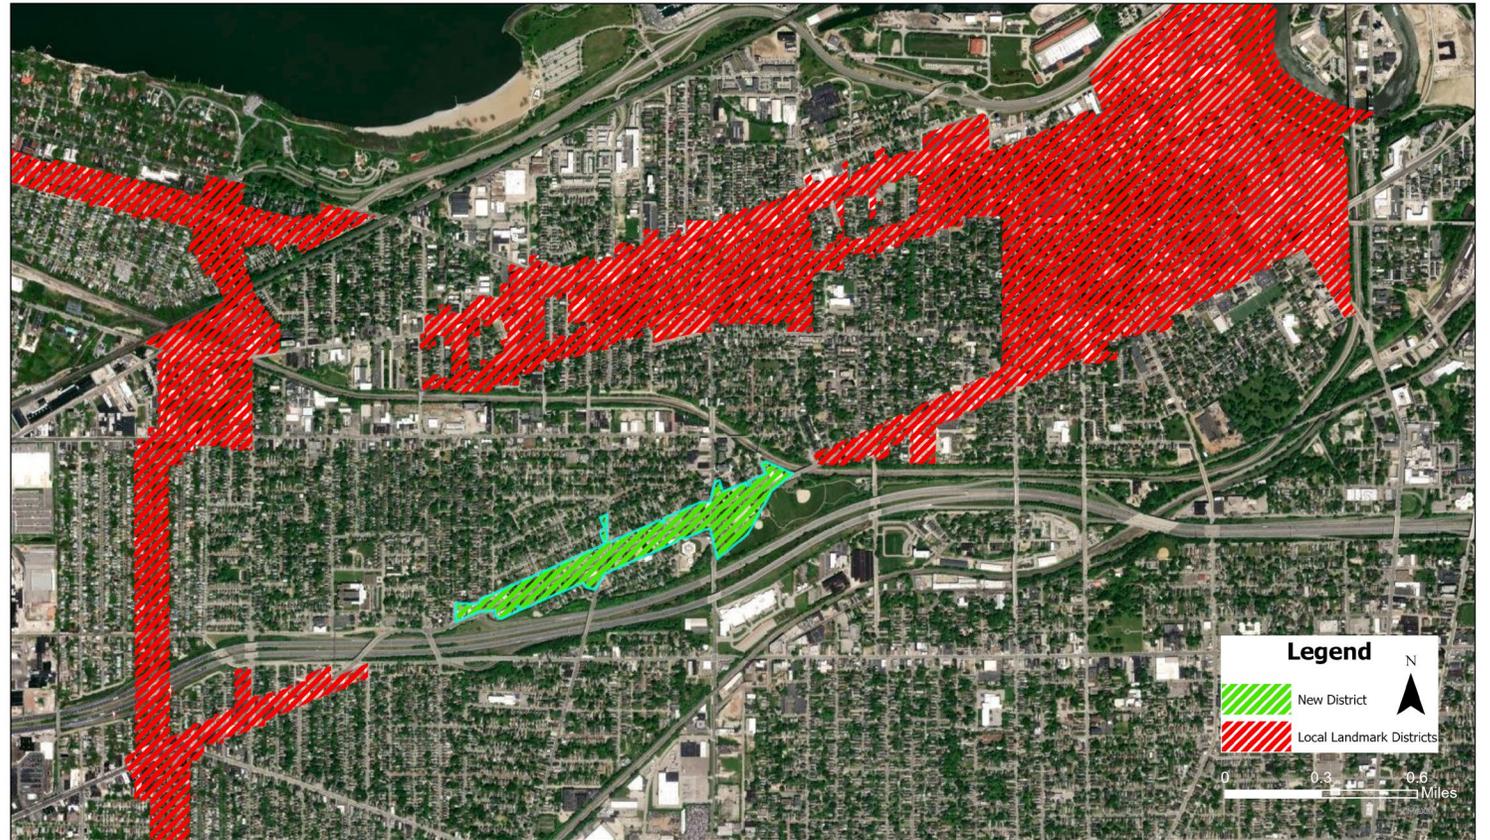

To grant oversight to the Far West Design Review & City Planning Commission for all exterior changes and demolitions along our commercial corridors.

To protect and preserve our important urban fabric closest to our transit corridors.

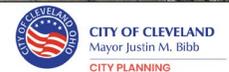

Boundaries

Bounded by the western edge of West 83rd St to the west and the eastern edge of West 61st Pl to the east
