

LEGISLATIVE SUMMARY
Mayor's Office of Capital Projects
Division of Engineering and Construction

Amendment to Ordinance 1470--2025

Ordinance No:	519-2026
Legislative Purpose:	The Department is requesting legislative approval to amend Ordinance 1470--2025, originally enacted on December 1, 2025, that granted the County the authority to repair Nottingham Road (St. Clair Ave. to the Southern Corporation Line).
Description:	This Amendment aligns with the revised agreement between the City and the County, under which the County is responsible for preparing the construction plans and specifications, along with all required engineering reports, in accordance with current Cuyahoga County standards for county road and bridge construction. The County is further responsible for supervising and administering the construction contract.
Construction Cost Estimate:	\$3M
Federal Contribution To State:	\$2.4M – NOACA STBG
State Contribution:	\$400K – County CMAQ
City Contribution:	\$200K 2027 CIP
Estimated amount of payment to State:	\$200K
Schedule:	Design - Winter 2026 to Spring 2028 Construction Summer 2028 to Summer 2029
Ward:	10, Councilmember Hairston
