- 1) Grant Award Disbursement—to award to the lead artists applicant’s institutional partner.
- 2) Awards Management Software—staff time to create application using their awards management software to establish/create the Transformative Arts Fund Application. This software will enable to committee to review the applications and the Assembly staff through this software will accept applications, be able to communicate with applicants, and manage and implement the process preparing the TAF responses for committee review.
- 3) Quarterly Check-Ins to be scheduled for virtual meetings at the end of the month per below outlined schedule with Rhonda Brown, Lead Artist and Institutional Partner:
 - a. September 2024
 - b. December 2024
 - c. April 2025
 - d. July 2025

TAF Committee Vision/Framework:

We believe that art, in all its forms, has the capacity to transcend boundaries, inspire social change, educate, evoke emotion, and ignite the human spirit. It has the capacity to build bridges between people from different backgrounds and foster empathy, understanding and unity.

About the Transformative Arts Fund

Through the funding of projects led by artists in collaboration with an institutional partner and within the 17 Wards of the City of Cleveland (community/location) we are committed to harnessing the power of public arts initiatives as a catalyst for positive change.

Our vision is to support and promote innovative, thought-provoking, and inclusive Cleveland-centric public art projects that ignite inspiration, foster dialogue, and drive social transformation. This initiative is dedicated to empowering artists, creators, and communities to collaborate and create art that reflects the diversity and richness of our city.

TAF Criteria/Eligibility:

- A Cleveland artist with a verifiable address will lead the project referred to moving forward as the LEAD ARTIST
- The Lead Artist must partner with an Institutional Partner to be eligible; the institutional partner is the organizational support, the administrative resource for the initiative, Assembly for the Arts would disburse the awards to the recommended and approved projects institutional partner.
- The project must take place within one of the 17 wards of the city of Cleveland and/or neighborhoods (there is set criteria that the IP must follow)
- The application deadline is set March 30, 2024
- While we look forward to receiving projects of all ideas, special consideration will be given to project proposals that amplify/address the following: vacant land reutilization, the environment, food insecurity, violence prevention, matters of diversity, equity, and inclusion, safe spaces in Cleveland, and social determinants of health, i.e., Black maternal-fetal health, smoking cessation, and physical and mental health.
- We invite applicants to explore city resources to consider projects to be produced on:
 - Vacant Land
 - Public Right of Way
 - Greenspace
 - Red-lined Neighborhoods

The Application asks the Lead artist and the institutional partner to answer about 8 questions to include attachments including: work samples, the institutional partner commitment letter, ward/neighborhood selected communities, a copy of the Center for Community Solutions data report on the selected community, a budget including detail regarding the artistic personnel budget, costs for fabrication, supplies, permits, licenses etc.
