

**LEGISLATIVE SUMMARY**  
**MAYOR'S OFFICE OF CAPITAL PROJECTS**  
**Division of Engineering and Construction**

**East 105<sup>th</sup> Street Rehabilitation Project**

**Ordinance No.**                    **555-2021**

**Purpose:**                            This Department requests legislation to modify existing contract PI2019\*57 with Vandra Brothers Construction, Inc. from \$7,936,012.45 to \$8,736,012.45.

**Description:**                    East 105<sup>th</sup> Street from East Boulevard to Greenlawn Avenue is approximately 1.25 miles of pavement repairs and resurfacing. The improvements in this urban minor arterial roadway includes new asphalt surface course, concrete base repair, curb repair, sidewalk, new signing and pavement marking, reconstructed traffic signals and ADA ramps.

This modification provides financing for additional pavement repairs required as an unforeseeable discovery of extensive concrete base repair over plan quantity. The concrete base deterioration was discovered after the removal of the existing asphalt surface course and was needed to extend the design life of the pavement.

**East 105<sup>th</sup> Street:**                \$7,936,012.45 – Original Cost  
    \$ 800,000.00 – Additional Cost  
    \$8,736,012.45 – New Cost

**Funding Source:**                Utility Funds, Road and Bridge Bonds

**Ward (s):**                            9, Councilmember Conwell

**CITY OF CLEVELAND**  
Mayor Frank G. Jackson
