

LEGISLATIVE SUMMARY
City Planning Commission

City of Cleveland 2023 Safe Streets for All Application

Ordinance No: 546-2024

Legislative Purpose: Authorizing the Directors of City Planning, Capital Projects, and Public Works to apply for, accept, and utilize \$2,328,908 of the Bipartisan Infrastructure Law Safe Streets for All FY2023 Award dollars for the purposes of conducting safety audits and safety analyses of 8 high injury network street segments; designing and constructing a quick-build demonstration project on St. Clair Avenue; and providing project management services.

Project Summary: The Directors of City Planning, Capital Projects, and Public Works shall be authorized to apply for and accept \$2,328,908 of the Bipartisan Infrastructure Law Safe Streets for All FY2023 Award dollars, and be authorized to employ one or more professional services consultants and enter into various written standard purchase and requirement contracts; to determine the method of making the public improvements and constructing safety improvements; and authorized to enter into one or more public improvement contracts for the making of the improvements. Specific interventions from safety analyses will be added to the Action Plan as HIN infrastructure recommendations. The project will also design and construct quick-build installations along St. Clair Avenue to inform an updated Action Plan strategy for addressing corridor-wide safety issues outside of major capital projects to reach the goal of eliminating fatalities and serious injuries from traffic crashes by 2032.
