Dear Clerk Britt,

The Department of Human Resources, Benefits Division, has applied for the \$10,000 Delta Dental Grant for good hygiene and health as it pertains to diabetes care and overall employee well-being.

If awarded, these funds will be used to support expenses associated with employee dental care and lowering of medical claims cost with preventative dental and oral hygiene practices.

We are notifying you of this grant application as required under Cleveland Codified Ordinance Section 121.06.

Sincerely,
