Mayor's Office of Capital Projects
Division of Architecture and Site Development

Capital Improvements to E.J. Kovacic Recreation Center Playground

Ordinance No: 473-2021

Purpose: Ordinance for direct award contract to R.W. Clark Company Inc. for compensation to be paid for construction services for a cost not to exceed \$700,000.00 to construct capital improvements to the E.J. Kovacic Recreation Center Playground.

Description: The proposed improvements to the E.J. Kovacic Recreation Center playground will remedy the existing deteriorated conditions and complement the transformative renovations to the E.J. Kovacic Recreation Center currently in progress and scheduled for completion in Fall 2021.

The scope consists of a complete reconfiguration and renovation of the existing Playground, including demolition of all deteriorated paving, play equipment, fencing, play surfaces, landscaping etc. and installation of new landscaping, including an expanded open play lawn area, paved pathways, half basketball court, splash pad, play equipment and related surfaces, fixed seating and tables, fencing, lighting, and signage as well as resurfacing of the existing parking lot.

The proposed playground improvements, in conjunction with the renovated E.J. Kovacic Recreation Center, will provide a complete, fully renovated facility to better serve the recreational needs of the St. Clair/Superior Neighborhood.

Cost: \$700,000.00

Funding source: Parks and Recreation Bonds

Project Schedule:

	Start	Complete
Construction	June 2021	October 2021

Ward: 7, Councilmember Basheer Jones
