

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

CUY 71-18.29 Safety, PID 110851

Ordinance No. 948-2020

Purpose: This Department requests legislation to grant consent to ODOT to revise the configuration of the collector distributor (CD) road just south of the Interstate 90 ramp merge to three lanes; improve the ramp from Valentine Avenue/14th Street to southbound SR 176; reconstruct/revise overhead guide signs on the CD Road in the City of Cleveland.

Description: ODOT will arrange for the preparation of construction plans and specifications, including engineering reports, and for the supervision and administration of the construction cost and contribute 100% of the eligible costs. The improvement is a safety upgrade on I 90 merge to three lanes and capacity constraints from Valentine Avenue/W 14th to southbound SR 71.

Cost Estimate: \$4,893,577

Funding Source: 100% – Federal

Schedule: Design – July 2019 to October 2021
Construction – April 1, 2022 to July 31, 2023

Wards: 3, Councilmember McCormack
12, Councilmember Brancatelli
14, Councilmember Santana
