

**LEGISLATIVE SUMMARY**  
**Mayor's Office of Capital Projects**  
**Division of Engineering and Construction**

**USA Parking Systems Prospect LLC to encroach into the public  
right-of-way of Ontario Street with Overhead Bridge.**

Ordinance Number: 1532-2019

Description: Authorizing the Director of the Mayor's Office of Capital Projects to issue a permit to Jack Entertainment LLC to encroach into the public right-of-way of Ontario Street with an Overhead Bridge and 2 precast connecting portals along with a bridge maintenance and inspection agreement.

Purpose: This request for an encroachment permit is on behalf of Jack Entertainment and its real estate-owning affiliates Quintus Landlord LLC (owner of the Higbee Building having an address at 100 Public Square) ("Higbee Building") and May Garage Property LLC (owner of the May Company Garage at 2047 Ontario Street) ("May Co. Garage") to create, construct, maintain and replace encroachments onto, over and within the right-of-way of Ontario Street and related sidewalks and improvements between Prospect Avenue and Public Square for the construction and perpetual use, operation and maintenance of an aerial pedestrian bridge and walkway connecting the Higbee Building and the May Co. Garage.

**A consent form acknowledging approval of this  
request is forthcoming by the Council Member**

Ward: Ward 3, Council Member Kerry P. McCormack
