MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

Replace the Lorain Avenue (SR-10) bridge over Columbus Road (CUY-010-15.890; Bridge SFN 1801473)

Ordinance No. 814-2025

Purpose: This Department requests legislation to grant consent to the ODOT to construct the improvement on Replace the Lorain Avenue (SR-10) bridge over Columbus Road (CUY-010-15.890; Bridge SFN 1801473); The City agrees to assume and contribute one hundred percent (100%) of the cost of any work included in the construction contract at the request of the City, which is determined by ODOT and the Federal Highway Administration to be ineligible or unnecessary for the Improvement; to authorize the Director of Capital Projects to enter into one or more agreements necessary to make the improvement.

Description:	<p>The Ohio Department of Transportation (ODOT) will coordinate the development of construction plans and specifications—covering engineering reports, managing the project sale, awarding the contract to the lowest responsible bidder, and overseeing construction supervision and administrative services for the improvement. The improvement includes replacing the Lorain Avenue (SR 10) bridge over Columbus Road. The City will maintain the bridge once the project is completed.</p>
