

# Department of Port Control

Ordinance No.: 589-2026

## Executive Summary

The Department of Port Control requests authority to amend Ordinance No. 884-2023 to add funding source 60-004 to the ordinance for both Contract No. PS2023-0330 with RS&H Ohio, Inc. and PS2023-0337 with Ricondo & Associates, Inc. to provide on-call planning services to pay for Terminal Modernization Development Program costs at Cleveland Hopkins International Airport.

---

### **Background/Purpose:**

Ordinance No. 884-2023, passed September 25, 2023, authorized the Department of Port Control to employ one or more professional consultants to provide on-call planning services. The Department has entered into two agreements, PS2023-0330 and PS203-0337 for these services. The Department is requesting authorization to add Fund No. 60 SF 004 to pay for Terminal Modernization Development Program costs associated with these contracts.

### **Scope of Work:**

This contract will provide on-call planning services, including but not limited to , planning services, feasibility studies, cost-benefit analyses, environmental assessments, analyses, studies, or estimating, sustainability, conceptual drawing or modeling, cost estimating, and airspace reviews for the Department of Port Control.

### **Justification/Urgency:**

This legislation is needed to identify funding source 60-004 as a designated funding source for Terminal Modernization Development Program.

### **Schedule or Term of Contract:**

The Department is requesting to amend the ordinance to add funding source 60-004.
