

LEGISLATIVE SUMMARY
MAYOR'S OFFICE OF CAPITAL PROJECTS
Division of Engineering and Construction

**Nottingham Road (St. Clair Avenue to the Southern Corporation Line) County ID
#1435**

Ordinance No. 1470-2025

Purpose: This Department respectfully requests legislation authorizing consent for the County to apply for and accept an allocation of County Motor Vehicle License Tax Funds. The legislation would also authorize the Director of the Mayor's Office of Capital Projects to enter into one or more agreements with the County for the design, construction, and any related activities necessary to complete the resurfacing of Nottingham Road, from St. Clair Avenue to the Southern Corporation Line. Funding for this improvement shall be provided from any sources as authorized by the Director of Finance.

Description:	The County would hire the design engineer through our GES contracts. The design split financially would be 60% by the County, and 40% by the municipality. The County would cover 50% of the Non-Federal share for Construction and Construction Engineering Services. The County Contribution maximum, which would include Design, Construction and Construction Engineering would be capped at a maximum of \$400,000 for the section in Cleveland.
---------------------	--

Planned improvements include the removal and replacement of existing asphalt pavement, casting adjustments, and ADA-compliant upgrades. This project was selected for inclusion in the County Program due to the deteriorated condition of the pavement.

Construction
Cost Estimate: \$3,000,000.00

Funding Source: \$2,400,000 - Federal funds
