Re: Legislation for Passage – June 3, 2024

Dear President Griffin:

I am requesting legislation to be passed under suspension at the June 3, 2024 meeting:

- Amending of the Pay Band - Sections 5 and 27 in Ordinance 194-2021.

For Section 5, it adds the position “Assistant Director of Port Control” and associated pay rates. Additionally, it amends the maximum rate for the “Secretary to the Director of Department of Port Control.” Both of these actions are related to the continued reorganization at the Department of Port Control.

For Section 27, it adds the position, “Waste Collection Transfer Station Unit Leader” and the associated pay rates, inclusive of one-half percentage rounding, as a result of collective bargaining with the Laborers International Union of North America (LiUNUA) Local 860.

This legislation is requested to be passed under suspension as it affects timely recruitment and placement of the associated positions.

If you have any questions, please contact me at (216) 664-2458

Thank you for your consideration of this request.

Sincerely,

Matthew J. Cole
Director of Human Resources
