

MOTION TO ADD AN AMENDMENT WHERE NONE EXISTED BEFORE

Note: Ordinance No. 1446-2019 has been read a second time and needs to be amended to authorize the Clerk of Council to enter into an agreement with The Project Group, LLC to monitor and report to Council on the status of constructing the new Cleveland Police Division headquarters and associated structures. Thus, under Council Rule 45, if it is amended on the floor it shall be read again as if on second reading and laid over for third reading (unless the rules are suspended).

I move that Ordinance No. 1446-2019 be read a second time again so that it can be amended to authorize the Clerk of Council to enter into an agreement with The Project Group, LLC to monitor and report to Council on the status of constructing the new Cleveland Police Division headquarters and associated structures; and also that the rules are suspended to pass this ordinance, as amended, on second reading.
